THE STORY SO FAR...

Everything starts at tibet. A japan ethnologist, professor Fujii, will die without having granted the wish of a mysterious young girl named pai. He has however the time to give her a letter for his son. This is how Pai enters to the life of the young high school student Yakumo Fujii... He has to help this young girl become human! How is he going to take this wish seriously and believe to that story about immortal people? However, Yakumo is accidentally killed by Takulu, the monster servant of Pai, and by an extraordinary magic brought back to life. Better, he has acquired immortality... He has become a Wu, the almighty protector... From now on, his destiny is linked with that of Pai. The two start a long journey in the end of which they hope to find the way to become humans .

Their researchs lead them to the "Statue of Humanity" who could be the key to their goal. But the people of darkness want to release Kaiyanwang, the evil king who annihilated the Sanjiyan Unkara and had been sealed into the Seima Stone! Our heros must fight these evil forces to stop this resurrection and they go all the way to the world of the Sanjiyan Unkara, Konron (holy land)... Alas, at the big battle he engaged, Yakumo is defeated by Benares, the almighty Wu of the evil king. The are saved by Houasyou the enchanted snake, been fixed the forehead of the Sanjiyan until now, who disobeys Benares and frees Pai. The Sanjiyan then gets her tremendous powers back and disintegrate Benares and the Seima stone... Afterwards, they have to discover the way to become humans...

Thanks to the spell which reads the memory of objects which Pai uses on a fragment of the Seima stone, the truth explodes: The humanification ritual has the only purpose of conveying the powers of two other Sanjiyans gathered around the statue to Kaiyanwang. There must be three Sanjiyan. - Shiva is very weak and this time, is at the point of disappearing for good. Benares who has to save his master knows where to find a third Sanjiyan. , He sends Yakumo to the Andaka, the world beyond our world, to bring Ushasu who had been exiled long ago. In the meantime, Benares abducts Pai and prepares the Humanification Ritual in the Castle Rock, in Sechi. Yakumo coming back from Andaka with Ushasu must now save Pai. A small team infiltrates the Castle. Among them is Ushasu herself! She seems to have an agenda of her own...

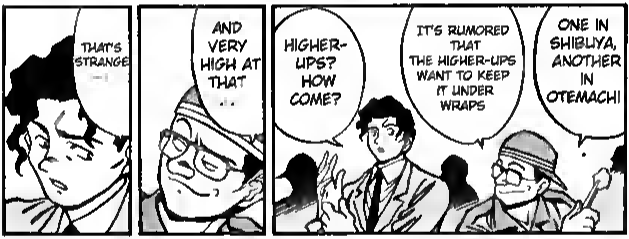
A NEW MYSTERY

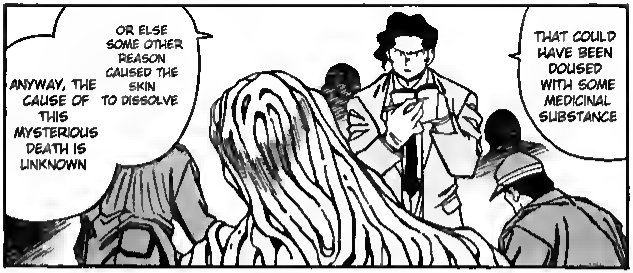
I HEARD THAT
THIS IS ALREADY THE THIRD CASE THIS MONTH
THE THIRD CASE ? I NEVER HEARD ABOUT THAT



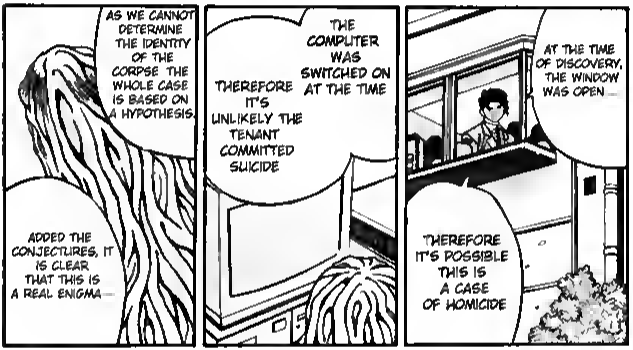
ONE IN SHIBUYA, ANOTHER IN OTEMACHI!
IT'S RUMORED THAT THE HIGHER-UPS WANT TO KEEP IT UNDER WRAPS
HIGHER-UPS? HOW COME?
AND VERY HIGH AT THAT . . .
THAT'S STRANGE . . .

OOMARI-KUN, I NEED A COMPLETE REPORT, IMMEDIATELY!
CHIEF ?!
WHY ARE YOU AT THE SCENE ?

DON'T MAKE ME REPEAT
SPEAK, I'M LISTENING TO YOU!
Y-, YES
HERE ARE THE FACTS...
AROUND 2PM THIS AFTERNOON, THE TENANT'S FRIEND FROM AROUND STOPPED BY...
THE DOOR WAS LOCKED AT THE TIME...
BUT THERE WAS A VERY STRONG STENCH COMING FROM THE APARTMENT SO HE CALLED THE CARETAKER TO OPEN IT
WE CAN ONLY BE SURE AFTER THE FORENSIC ANALYSIS, BUT THIS OBJECT SEEMS TO BE A CORPSE...
...



ANYWAY, THE CAUSE OF THIS MYSTERIOUS DEATH IS UNKNOWN
OR ELSE SOME OTHER REASON CAUSED THE SKIN TO DISSOLVE
THAT COULD HAVE BEEN DOUSED WITH SOME MEDICINAL SUBSTANCE



AS WE CANNOT DETERMINE THE IDENTITY OF THE CORPSE THE WHOLE CASE IS BASED ON A HYPOTHESIS
ADDED THE CONJECTURES, IT IS CLEAR THAT THIS IS A REAL ENIGMA
THE COMPUTER WAS SWITCHED ON AT THE TIME
THEREFORE IT'S UNLIKELY THE TENANT COMMITTED SUICIDE
AT THE TIME OF DISCOVERY, THE WINDOW WAS OPEN
THEREFORE IT'S POSSIBLE THIS IS A CASE OF HOMICIDE

WHAT ?
RETURN TO THE STATION, YOU WILL BE ASSIGNED TO ANOTHER CASE.
I GOT IT
THE CASE IS CLOSED.

THERE MUST ALREADY BE A PLOT
